Summary

A girl with a lot of dreams.#

I'm post graduate student pursuing MSc in rural technology and social development from central university of Chhattisgarh.

I'm actively looking for new opportunities in any field as I don't want to limit my learning.

i love reading books, sketching, traveling and exploring new things I want to travel the world.

my strength-

°physical as well as mental strength

°kind

°optimist

°curious

My motivation is me myself as I believe in comparing myself with my pastself.what I was yesterday should not be what i am today.learn from my mistakes, believe in yourself and be better self each day.
