Yash Thakkar

Data Enthusiast | Powertrain Head at DJS Kronos India
Mumbai Suburban

Summary

I am a Data Enthusiast, pursuing Mechanical Engineering from Dwarkadas J. Sanghvi College of Engineering, Vile Parle(W), Mumbai.

I have a history of working in the automotive sector by being the Power-train head of DJS Kronos India which participates in Mahindra's BAJA SAE India and I have a keen interest in programming languages such as Python and Java and creating things via programming or through 3-D modelling or using CAD/CAM softwares such as SolidWorks.

I love trying new things and experimenting with different fields and my current interest is Data Science, Machine Learning and Digital Marketing (more about the mix some other day).

If you want to talk more about Data Science, Python, or the setup of the competition of BAJA SAE and about DJS Kronos, feel free to hit me up or email me : thakkaryash21@gmail.com

Experience

DJS Kronos India

1 year 7 months

Powertrain Head

February 2020 - Present (7 months)

Mumbai, Maharashtra, India

- Leading the Power-Train Department of DJS Kronos India in a smooth and efficient manner
- Communicating with different departments as well as our sponsors(manufacturers) for various data requirements.
- Training the juniors and providing them with right knowledge and resources required.

About DJS Kronos India:

Team DJS Kronos India, the official BAJA racing team of D.J.Sanghvi College Of Engineering, Vile Parle(W), Mumbai is a team of 40 engineering students from Mechanical, Production and EXTC departments. We design and fabricate an all terrain vehicle every year which goes out to various national level competitions. With over 400 teams registering for the BAJA SAE India Event, being the champions of the Manueverability Event at BAJA SAE India 2018, DJS Kronos India has set it's standards high for the future and is a reputed name in the country.

Powertrain Junior

February 2019 - January 2020 (1 year)
